

Dear Sponsor:

The Aroostook Hospice Foundation, owner of the Aroostook House of Comfort, is pleased to announce its 11th Annual Aroostook House of Comfort Golf Classic to be held **Saturday, June 15th**, at the Presque Isle Country Club.

"It is truly our honor and privilege to be the Platinum Sponsor for the 2024 Aroostook House of Comfort Golf Classic. We have two goals with this sponsorship. The first being to honor the memory of our son Logan, who we lost in 1998 to a rare form of brain cancer, through The Logan Graves Foundation, and the second is to recognize and support the incredible facility we all know as the Aroostook House of Comfort. In Logan's last days, we were fortunate to be able to keep Logan at home where a family friend physician and the wonderful people from Visiting Nurses were able to provide the care and comfort that Logan needed while still being surrounded by family and friends. Our experience was similar to the very foundation that the Aroostook House of Comfort was built on, as evidenced in their mission statement, 'The Aroostook House of Comfort, together with the community, provides individuals and their loved ones compassionate care, comfort, dignity, and support when patient needs are greater than home hospice can provide.' Please join us in supporting this amazing and much-needed organization by way of your sponsorship and/or by participating in the event. We hope you will share with us in viewing this fundraising event as an investment in our community today and in the future." - Bob Graves

"Why support the 11th Annual Aroostook House of Comfort Golf Classic? It's a great day filled with the ups and downs of golf (more of the latter with my game!), comradery with friends and family, and it supports the mission of this wonderful organization and facility. In my Mother's final days, the Aroostook House of Comfort provided an environment for loved ones to spend time with her while she was cared for by their attentive and thoughtful staff. I encourage you to support this event as Aroostook County is so very fortunate to have a resource like this that many families have utilized, or may need to in the future." -Chad Brewer
